Re: Refund Request
Deposit Account No. 50-1258

Dear Ms. Streeter:

Please refund \$1,055.00 to Deposit Account No. 50-1258. The facts supporting this request follow:

1. I am the attorney of record for U.S. Patent Appln. S.N. 10/535,244, now U.S. Patent No. 7, 229,296, and assigned of record to AMC S.a.r.l. My docket number for this patent is AMC-001.
2. I paid the Issue Fee for the '244 application on April 30, 2007.
3. On July 24, 2009, Mr. Camille Martin, an employee of the assignee, mistakenly sent a letter by facsimile to the Patent Office rather than to me. He included a copy of my Issue Fee Transmittal and Facsimile Transmittal Sheet for the '244 application with his letter. A copy of his letter including attachments is enclosed.
4. The Patent Office erroneously charged Deposit Account 50-1258 in the amount of \$1,055, as shown by the attached copy of my Deposit Account statement for July 2009. The \$1,055 charge is for payment of the Issue Fee and publication fee for the '244 application.

Page 2

ARGUMENT

The Issue and Publication fees for the '244 application were timely paid on April 30, 2007. No further fees are required in connection with U.S. Patent 7,229,296 at any time during 2009.

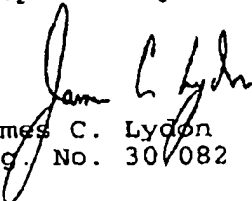

The undersigned did not authorize a charge against Deposit Account No. 50-1258 for payment of the Issue and/or Publication fees for the '244 patent application in July 2009. Mr. Martin is not an employee of the undersigned and has no authority to authorize a charge against Deposit Account No. 50-1258. Accordingly, the Patent Office should not have charged Deposit Account No. 50-1258.

The undersigned should not be penalized because Mr. Camille Martin, an employee of the assignee, erroneously sent his correspondence to the Patent Office rather than to the undersigned.

ACTION REQUESTED

Prompt refund of \$1,055.00 to Deposit Account No. 50/1258 is respectfully requested. The responsible Patent Office Official is requested to telephone the undersigned should he have any questions concerning this refund request.

Respectfully submitted,

James C. Lydon

Dear sir,

We are in contacts with your company concerning our US patents for contact device for improving lifetime of electrical connections.
I send you a document of fee transmittal with this message, so that you get all the information needed about our file.

Could you please send us a copy of the documents we had sent you for this patent as quick as possible?

Thanks forward for your answer.

Best regards,

Camille Martin
